

Staten Island Meeting

of the Religious Society of Friends

(Quaker meeting, unprogramed)

Staten Island Executive Meeting Quarterly Report for July 15, 2017

We continue to meet on 2nd and 4th first days, in the conference room at MakerSpace. We can foresee a time when we may wish to look for more space, but for now this still works. The building opens at 10 and we officially start at 10:10, which often garners a laugh when would-be visitors first hear it. Attendance ranges from 3 to 5 people. After a 45-minute meeting for worship, we have social time and usually worship sharing, sometimes on original topics, often using queries from Faith & Practice as the beginning of meditation and discussion.

Ted Lochwyn, Clerk
