Note from the clerk: Friends, we sadly missed each other in April when our meeting was canceled due to the pandemic lockdown. Our July meeting will fold two meetings worth of business into one. As an additional challenge, we will be conducting this meeting via video-conferencing. Many of are finding video-conferencing to be a medium that challenges our attention as it stretches into two hours. For this meeting, many of our reports will be accepted by consent agenda so we can turn our attention to the items requiring discernment.

****All Annual and Monthly Meeting Reports will be posted to the website prior to the meeting.***

****Friends are expected to read the reports prior to the meeting as reports without action items will be accepted by consent agenda and not read aloud.***
